Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am seeking a role that allows me to leverage my diverse skill set and experience effectively. I am open to opportunities in site management, technical support, mining operations, cleaning services, or driving roles. I am particularly interested in positions that offer opportunities for growth and allow me to make a meaningful impact.

My positive points:

**Versatility:** I have experience in multiple fields, allowing me to adapt to different environments and roles quickly.

**Problem-solving skills:** Through my technical support and site management roles, I have honed my problem-solving abilities, enabling me to troubleshoot issues efficiently and find effective solutions.

**Strong work ethic:** Whether it's managing sites, providing technical support, or performing mining and cleaning duties, I consistently demonstrate dedication, reliability, and a strong work ethic.

**Safety-conscious:** In mining and driving roles, I prioritize safety above all else, ensuring compliance with safety protocols and procedures to create a secure working environment.

**Excellent communication:** I possess strong communication skills developed through interacting with colleagues, clients, and stakeholders in various roles, facilitating effective teamwork and collaboration.
