

Megan Budler

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently on the look out for a job in copywriting.

I'm a designer and art-director, turned copywriter. I've spent the last 10 years in the art and design sectors, working for galleries, agencies and production houses.

In the last five years, I've started writing and managing social content for multiple brands.

I'm incredibly passionate about both fields, which gives me a unique perspective, as well as a holistic viewpoint when dealing with brands.

I consider myself an AI whisperer.

I'm all about disruption in the digital space, creativity and design - and of course, crafting and editing strong, succinct copy.
