Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for several jobs because i can do several.

I hope i can get jobs like: General Assistant, Driving, Cleaning, Errand running, Plant Assistant, Survey Assistant, Sampling Assistant, etc.

I can perform a given task without being supervised. I am not lazy to learn a new task because i like a challenging task. I am a very good team worker, but sometimes i have to face a given task by my self. Apart from being a hard worker and a fast learner, i prefer doing a given task the right way following the right regulation and without short cuts.
