

Tshepo Msimango

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a Linux based environment which will allow me to grow more in automation,devops ,k8s etc to provide a seamless core operations for the company ensuring high uptime.

I adapt quickly,i mentor and I am able to speak or translate technical jargon to people who are not too technical.

A warm environment is best suitable where employees treat each other with utmost respect,support and trust.
