What job i'm looking for? My positive points

I'm looking for any opportunity that is open, as I've learned to be in uncomfortable situations working with people characters throughout my promotion times even now, I'm a fast learner I'm able to thrive also and well with a team.

I've been a promoter for the last 4 years now worked with different companies such as Tradeway, Jrpromotions, Ashly promotions as well as LWC. The work that I've done I've been place as stores to push sales for certain products be it a dry promo, demo explaining how a product work, samples and tasting this is where we give customers small tasters to have an idea how the product taste or give away if a customer buy a product that you are promoting they automatically get a price.
