What job i'm looking for? My positive points

Administration management - Finance

Extract from personal testing index:

Yvanne is Careful with rules; he's precise, by the book, fast-paced, and literal in interpreting rules, schedules and results.

Detail-oriented and thorough; he works to ensure things don't fall through the cracks, and follows up to ensure they're done properly and on time.

Driven to achieve operational efficiencies: thinks about what needs to be done and how it can be done as fast as possible while maintaining a high-quality outcome. Impatient with routines.

Relatively formal, reserved, and skeptical of new people; requires some 'proof' to build trust in new people.

Attention to detail; follows through on tasks to ensure completion in general accordance with quality standards.

Operationally, as opposed to socially, focused. Thinks about what needs to be done, and how to do it well, and generally follows that execution plan.
