

Craig Booth

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a dedicated and passionate educator with 4 years of experience in teaching. My career in education has been driven by a deep commitment to fostering a positive and inclusive learning environment where every student feels valued and empowered to reach their full potential.

I hold a Bachelor's in Education degree from Aros, and I am certified in intermediate. My expertise includes mathematics, natural science, technology, Afrikaans, and English, and I have a proven track record of enhancing student engagement and achievement.

Throughout my teaching career, I have embraced innovative teaching methodologies and technology to create interactive and engaging lessons that cater to diverse learning styles. I am skilled in integrating technology in the classroom, developing individualized education plans, fostering a collaborative learning environment, and using data-driven strategies to monitor and support student progress.

Beyond my instructional duties, I am committed to the holistic development of my students, encouraging them to develop critical thinking skills, social-emotional intelligence, and a lifelong love for learning. I believe in the power of education to transform lives, and I strive to inspire my students to be curious, resilient, and compassionate individuals.

I am also actively involved in professional development, regularly attending workshops and conferences to stay updated with the latest educational trends and best practices. My colleagues and students know me as a patient, approachable, and enthusiastic teacher who is always willing to go the extra mile to ensure student success.

I am excited about the opportunity to bring my experience, enthusiasm, and innovative teaching practices to a new school community, where I can continue to make a positive impact on students' academic and personal growth.
