Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a position where I can use my skills and knowledge to make a positive impact in my personal capacity and in the business that has employed me. I am experienced in working with deadlines and targets as I take pride in my professionalism and in the customer service and experience that I provide to customers. Debt collection is something that I do extremely well because I understand the importance and intensity that it may have however I have achieved this through all the skills I have gathered over the years as I have proven written record that may be produced should that be required to affirm my points. I am skilled in debt collection on all cd types, customer service, admin , sales and query resolution.
