Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hope this email finds you well. My name is Balanganani Comfort Muofhe and I recently graduated with a National Higher Diploma in Electrical Engineering Heavy Current, Installation Electrician (COC) and Electrical Trade Test from University of South Africa and Indlela Olifantsfontain. I am writing to express my interest in the Heavy Current Electrical Engineering position at m Company.

With hands-on experience in Electrical Engineering Heavy Current I have developed a strong foundation in managing and implementing electrical systems for high current applications. I am fast learner, able to adapt in every environment, able to work alone and in a team. I would welcome the opportunity to discuss how my skills and experiences align with the needs of your team. I am ready to start working immediately.

I will be very glad if my application will be considered.
