What job i'm looking for? My positive points

I'm looking for a hotel job or Bed and breakfast job, but any job is right for me because i'm a hard worker responsible for everything in a working environment and I'm a fast learner, I'm punctual and willing to learn new things.

I'm able to work under pressure if I have many tasks to do. I have two kids to support, I'm willing start working any time if the vacant is available.

Thank you so much
