Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a hardworking young man driven to do my best in and outside of work. I am eager to learn and gain new skills to help me with bettering my experience. I pay good attention to detail and have the ability to solve problems with a ethical and creative solution. Against a challenge I can be very reliable and efficient to stay up to the task without supervision and being capable to follow orders. What motivates me best is my determination to get something done and the strict morals I put on myself. My excellent communication skills help me find it easy to take the lead in groups and improve team performance, because I can take responsibility and stay loyal to my values. I can work on my own and still provide great results. I am a competent quick learner who is enthusiastic to gain more knowledge and experience in any field of work and remain loyal to my employer and self.
