What job i'm looking for? My positive points

I'm looking for miner any position it's fine. I have been marketing and not getting any lucky. I want to support my family and put some food on the table since I finished my matric last year, I don't have any funds to continue with my studies. I'm a hardworking person but no experience but when I learn I get fast. I will be very happy when I get this opportunity and I promise I won't disappoint. Thank you.
