 My name is Mbongani Andrew Talane, 29 year old Sibanye stillwater CCTV technician. I am an experienced security officer with few years experience in the mining sector and currently wishing to expand my knowledge and put to practice the skills and the

Additional information

have obtained during my years of service in the security industry. It is again with great joy to be applying for the armed and/or tactical response post as it is my passion and willing to do anything to serve and protect.

During my journey of service, I have acquired skills and knowledge about the security in the mining sector. Growing and being a reliable asset, a committed and punctual officer in my line of work making sure that the service I rendered kept the production going and enhanced safety in all aspect of my work space. Some of the services I rendered and excelled in were as follows;

- Driver duties
- Access Controller duties
- Control room operator duties
