Curriculum Vitae (CV)

What job i'm looking for? My positive points

Being dedicated and committed to safety: A good miner prioritizes the safety of themselves and their team, following all safety protocols and procedures to prevent accidents and injuries.

As a miner you must have strong ethics, work hard, be reliable, and dedicated to putting in the necessary time to excel in their role. As we know that Mining can be a physically demanding job, requiring strength, endurance, and a willingness to work in challenging conditions, a good miner is able to push through difficulties and keep going even when the work is tiring.

As Mining require strong teamwork and collaboration among coworkers, A good miner is able to communicate effectively, cooperate with others, and contribute positively to the overall success of the team.
