## What job i'm looking for? My positive points

I'm looking for any jobs that'll help me better myself in many other vacancies. I use to work at Spur for 3 years as a sales representative . I left Spur because I wanted to try something , so then I went and work at Shoprite as a shop assistant at the Fruit and veg section. I am unemployed right now. I left shoprite because I had flue and sinus and they wanted a sick letter which I couldn't give them because I treated myself at home.
