Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an entry level job or available internships/ learnerships in mining to assist me with starting my career as I only have a matric certificate and a diploma in Logistics, with a warehouse and call center field work experience, I am a young tenacious woman that when given any opportunity I grab it with both hands. I am adaptable and a fast learner, willing to work at the required pace to learn and work hard for my success, I have good customer skills, interpersonal skills, leadership skills

and computer skills. I Excel both individually and as a team member, I work well under pressure and pride myself in punctuality. Given an opportunity I would be a great asset to any company willing to invest in me, while enhancing my skills and experience which will be beneficial for both the company and myself.
