Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Hiring Manager

I am writing to apply for the position of Electrical Technician that is open at your organization. With my 0-2 years of experience, I am confident that I am the right candidate for the role.

My experience in the electrical engineering field has enabled me to acquire a deep understanding of electrical systems. I am familiar with the installation, troubleshooting, and maintenance of electrical systems, as well as the associated safety practices.

I also have the skills necessary to work with different types of electrical components. I am proficient in the use of test equipment, including multimeters and oscilloscopes, and I am familiar with the use of lab equipment such as power supplies and function generators.

In addition to my technical skills, I am a team player and have excellent communication and problem-solving skills. I am organized, detail-oriented, and can work independently or in a team setting.

I am excited about the opportunity to join Tshwane and I am confident that I have the skills and experience required for the job. I look forward to meeting with you and discussing the role in more detail.

Thank you for your time and consideration.

Sincerely,

Malanka Innocent Malepe
