Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a Change manager Job. I am a project management oriented person having done projects before in the banking and construction sector. During my work execution I compiled project progress reports to update the main stakeholders. Apart from this I am capable of creating a case study for a project and roll it out from inception up to implementation stage until commissioning stage. Like most projects there will always be unforeseen circumstances and requires skills on how to handle. Having experience in this I am capable of handling such with precision. Lastly I am able to lead and steer the project team effectively.

Preferred occupation                      Banking  
Finance jobs

## Languages

Language	Speaking level	Understanding level	Writing level
English	fluent	fluent	fluent

## Computer knowledge

I am computer literate. With Microsoft Office, I am capable of doing power point presentations using

### Conferences, seminars

I am part of what we call the conference planning committee and we plan our Church conferences which would run most of the times for 3 days from Friday until Sunday. These are mostly Easter conference and our annual conference for the church. These conferences are held with the view of empowering saints with the word of God and also giving an opportunity to new converts to accept Christ as their personal saviour.
