What job i'm looking for? My positive points

I am looking for a driving job position as Class BE (not exceeding 3500kg vehicles). it's my pleasure to take a good look at the vehicle I'm going to use if I get hired by your company as I wanted to work for a long term. For example I would take my pre inspection on vehicle before use therefore check water, pressure tyres and oil. I would make sure that I have following all roads regulations and traffic rules to avoid the accident and penalty fines. In addition, I will like to be on time on whatever I will do on either on delivery and at work place to satisfy our clients. Being priority management always make me done more jobs. Furthermore, I am generous kind and honest man who is communicative both with clients and co workers. I am good on resolving issues by ask deeply in a polite way and take other people's decision on the table to get a solution. I give myself to others for something I don't know to be acknowledged
