Curriculum Vitae (CV)

What job i'm looking for? My positive points

I want a general job, but since I'm a jack of all trades, I can work at any job as long as it fits my schedule and we get along well. My ability to communicate well with others helps me socialise, which boosts my confidence, friendliness, and compassion for my coworkers. Strong communication and organisational abilities, proficiency with Word, Excel, and PowerPoint, and leadership and research experience round out my qualifications.
