## What job i'm looking for? My positive points

What job are you looking for?

I am looking for a role in finance, specifically as a Creditors Clerk or Debtors/Creditors Accountant. I am seeking positions that allow me to apply my expertise in accounts payable, financial analysis, and debt recovery. I am particularly interested in roles within dynamic industries like FMCG or companies that offer growth opportunities and a chance to contribute to the financial success of the business.

What are your positive points?

My strengths include strong attention to detail, excellent problem-solving skills, and the ability to work independently while maintaining effective communication with both internal and external stakeholders. I am proficient in financial systems and software, and I take pride in my ability to manage accounts accurately and efficiently. Additionally, I am highly organized and deadline-driven, always ensuring that financial processes are handled smoothly and on time. I am also a team player and enjoy contributing to a collaborative work environment.

Company name DataOrbis

You were working at: Debotors clerk

Occupation Head of Debtors

What you did at this job position? As the Head of Debtors, my responsibilities included:  
 Overseeing Debt Collection Processes: I led the debtor’s team in managing the collection of outstanding debts from clients. This involved setting collection targets, monitoring team performance, and ensuring all arrears were handled effectively. Managing the Debtors Ledger: I was responsible for maintaining the accuracy of the debtors' ledger, including ensuring that invoices were issued correctly, payments were tracked, and accounts were reconciled regularly. Client Relations and Payment Plans: I worked closely with clients to resolve payment issues, negotiate payment plans, and handle any disputes. My focus was always on minimizing arrears while maintaining positive relationships with our customers. Reporting and Analysis: I prepared regular reports on the status of outstanding accounts, aging reports, and key metrics to monitor the effectiveness of our debt collection strategies. This data helped identify areas of improvement and drive decision-making. Compliance and Risk Management: I ensured that the debt collection processes adhered to legal requirements and company policies, minimizing risk and protecting the company's financial interests. Team Leadership and Development: I mentored and supported the debtor’s team, providing guidance, setting performance expectations, and fostering a collaborative work environment.
