Additional information

Consider myself a self-motivated, enthusiastic young gentleman who is always willing to go the extra mile, who strives for perfection in any task that I undertake and complete the task at hand to the best of my ability being industrious, self-motivated, capable of confronting and conquering any challenge given, and confident that I would be an asset to your company.

I have a mature and responsible attitude towards my work and I have the ability to work independently. I relate well with both my peers as well as authority figures. I am always neatly attired and punctual for work. I am very creative and am willing to learn new skills. I adapt very easily to my environment, and enjoy interaction with people. I am an optimistic person who adapts easily to new surroundings and who loves a challenge. I am a keen learner and would like to utilize the skills that I have acquired to gain further experience thus enabling me to achieve my long-term goal, which is to be financially stable and secure a permanent position with an established institution from which we both may benefit.

I welcome the opportunity to broaden my horizons through your company and am willing to adjust in keeping with the requirements that you demand.

I am willing to relocate, flexible in my times and can work any hours needed. Should you have a
