

Ester Steyn

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have 15 years BI / Data Analysis experience in Banking & Investment banking, and 3 years BI / Data Analysis experience in Retail (FMCG). The Company will gain a lot of value from my vast experience in Data Analysis. I am an energetic, driven team player with excellent written and oral communication skills. I work well under pressure and use my initiative when needed. I am passionate about data analytics - especially marketing analytics and I am always interested in learning and practicing new skills to improve myself for any project that I am working on.

I have excellent Excel, SQL and Power BI skills, and I am busy learning Python. I have a diploma in Digital Marketing and am currently studying for my Batchelor's degree. I have several certifications in SQL, Data Analytics, Power BI, Business Analysis.

I pay attention to detail, I am very serious about data quality and have excellent communication skills, written and spoken. I am open to various roles that involve analytics, report writing, data visualisation etc.

I am ideally looking for a Data Analyst, BI Analyst, Product Analyst, Marketing Analyst or HR Analyst role.
