Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am writing to express my interest in the IT position. I came across your job posting on internet and was thrilled to discover an opportunity to contribute to a company I have admired for many years. I believe that my qualifications and experience align well with the requirements of the role, and I see this opportunity as a valuable chance to further enhance my skills and gain industry-specific knowledge.

I have recently graduated (in 2023) at university of South Africa. In addition to my academic achievements, I have been actively involved in various skills development clubs. I also doing extramural activities such as soccer and chess . These experiences have helped me develop strong teamwork and leadership skills, as well as the ability to successfully complete tasks and projects.
