Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a passionate, self-starter with a knack for planning and execution. My driving force is turning vision into reality, and I thrive on taking the initiative to make things happen. I excel in meticulous planning and implementation, ensuring that every detail is accounted for. My ability to self-motivate and proactively tackle challenges allows me to consistently achieve results and transform ideas into concrete outcomes. I have acquired hands-on skills in SHEQ management and have mastered skills in permit-to-work (safe systems of work) and contractor management in accordance with the OHS Act. I am hoping to enhance my theoretical knowledge in process engineering and further grow towards process improvement and sustainability.
