

Samukelisiwe Portia Mthimkhulu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an Engineer in Training position that allows me to apply my technical knowledge and gain hands-on experience in the engineering field. I am eager to work under experienced professionals, contribute to projects, and develop my skills in a collaborative environment.

positive points:

Strong Technical Knowledge: I have a solid foundation in engineering principles and a keen interest in applying them to real-world problems.

Adaptability: I thrive in dynamic environments and am open to learning new skills and technologies quickly.

Attention to Detail: I am meticulous in my work, ensuring accuracy and quality in all tasks.

Team Player: I enjoy collaborating with others and believe that teamwork leads to the best solutions.

Problem-Solving Skills: I approach challenges with a positive mindset and a methodical approach, always looking for innovative solutions.

Commitment to Continuous Learning: I am passionate about my professional growth and actively seek opportunities to expand my knowledge and skills.
