Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any Job that will help me put bread on a table at the end of the day, I've just finished my matric 2023, I couldn't go to college or university. But I am willing to get something that will help me with some experience.

I might not have an experience, but I am hard worker, I can work under pressure and I'm willing to learn.
