What job i'm looking for? My positive points

I completed my LLB degree at the University of the Western Cape and I am currently looking for a law firm to cede my articles. It's been a journey finding a law firm where I can start off my career. However, perseverance is the key to success. I always strive to have a positive out look on life. To always be grateful for what you have and to never look down on others. Be respectful, be kind and that way you will always be blessed.
