What job i'm looking for? My positive points

Dear sir/madam

I am highly grateful for this opportunity. I am a midwife completed school last year in August at Mampong Midwifery and Health Assistant Training School with a three years diploma certificate and currently working as a rotational midwife at Effiduase Government Hospital in the Ashanti region of Ghana. I am 23years of age and the only daughter of my parents. I would be happy if I am employed for a better salary and a secured future so I will be able to cater for my parents and continue my education as well. Hoping to hear from you. Thank You.

Yours sincerely,

Portia Nyamekye.
