Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm in desperate need of a job but I'm a Zimbabwean I can only use English in communication. I work very well with children infact I get along with children very quickly.

I have basic knowledge on computers and according to Zimbabwean kind of education I am a bit learned I studied Arts and could not afford to go to University. I wanted to study journalism or film and theatre but my dreams got shattered.so I need a job to sustain myself.I'm very smart and responsible and presentable.

If only I can get a job to help me pick up myself and find something valid and dignified to do with my life.looking toward to favourable responses
