Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to work on a game farm. This will entail doing general maintenance, assisting with hunts, anti poaching and general odd jobs on the farm. I love nature and also love hunting, fishing and general nature. I am a positive person who like to work with my hands. I can do anything, from plumbing to all kinds of maintenance around the house. I can do some mechanical work and welding. I lived on a farm as a child and I am still living on a farm. I did all maintenance around my own house, when I still owned a house. I lost my house and was forced to leave the South-African Police because of divorce. I was a member of the SAPS since I had left school in 1998. I joined the police on 1990-01-01. I had to leave the police because of divorce, in order to salvage my pension fund. I am a non-drinker and a non-smoker and I am of good health. I am currently unemployed and can take up any employment immediately.
