Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for Marketing job, it may advertising, marketing communications, sales or Marketing research.

I have skills to interact with different cultures and communicating with different people since I taught myself more languages so that it will be easier to communicate with all the cultures without speaking English.

I also have experience for customer service as I have done the customer care in my previous job, the job that has inspired me to study business in marketing.

And I am able to work with different people from different cultures, because it is easy for me to adapt at any work challenges and understanding of any working environment and also love to work with people and under demanding job as I like to learn new things at all times as it keeps me growing mentally.
