## What job i'm looking for? My positive points

I am a hard working individual and I take pride in my work, I do my work to the best of my ability and with the amount of experience I've gained with my previous and current employer I know I am ready for a next challenge. I am currently a manager and in this position I've learned how important a client is and how important it is to always reach a target. my clients inspire me, without them the company doesn't exist and through this I've also build a solid relationship with them. i can work individually with a minimum of supervision. client care is my specialty. i have good communication and interpersonal skills, i also have experience in face to face client service and telephonic service, i have a financial management certificate and a computer certificate. Right now i am looking for a company that has more room for growth as i intend to further my studies and se
