

Tebogo Sihlangu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

1. ELECTRICIAN ASSISTANCE

My name is Tebogo Sihlangu and i'm 23 years old, i completed my N3-N6 national certificates at Roseville fet college and electrical phase 1&2 certificate at ArtisanTraining Institution in electrical engineering.

I would love to join your company as i believe that my skills and experience, paired with my knowledge of my theory will match the requirements necessary to do training in your company. I confidently say my organization and communication skills are exquisite. I hope to put this knowledge in use in the field of electrical engineering.

As part of my personal objectives, i pride myself of being great enthusiasm and dedicated. I am a hard worker, self-motivated and willing to learn more about the industry. I have demonstrated this through my hard working and commitment to my studies. My maturity, passionate and eagerness to enter the industry would complement my outdoor experience in order to acquire the background necessary for my future career. This apprenticeship work would provide me with the opportunity to expand my skills and will be tremendous asset for your company.

I am keen to undertake any training that you may feel necessary for me to undertake the role and would be delight to come to your offices to discuss my suitability.
