

Takalani Maria Singo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I studied BSc in Botany and Zoology, 3 years degree at the University of Venda. I am looking for environmental (nature conservation) job opportunity so that I can protect endangered species for the future use. Hiring me will help our future generation to see and know many species and also help them protect those species for the next generation and by so doing will be protecting our biodiversity. I have studied Limnology (lakes, dams and wetlands conservations). I love and care for the nature.

I have work at the laboratory in the University of Venda as a practical demonstrator for Cell Biology.
