

Navendren Pather

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a highly skilled millwright. I have experience in scheduled maintenance, breakdowns, modifications, automation and maintenance of plant. Developing, testing and evaluating theoretical designs. Discussing and solving complex problems with manufacturing departments, sub-contractors, suppliers and customers. Making sure a product can be made reliable and will perform consistently in specified operating environments. Managing projects using engineering principles and techniques. Considering the implications of issues such as cost, safety and time. I am currently unemployed. need to start as soon as possible.
