Curriculum Vitae (CV)

What job i'm looking for? My positive points

My aim is to have a stable job as single mom. I find it hard to leave without salary. I raised kids. Now I only survive with food parcels that I received from church members. How about my electricity /water. The salary I chose is not enough but it's a start. I never earn it's best. I'm honest/reliable. Work hard. No disappointment whatsoever. Always work. I am not scared of learning anything thanks.
