

Sakhile Mahaye

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would here by like to apply for the boilermaker/welder application advertised.

the aim and motivation towards this application is mainly towards self improvement, future expansions and development specially within logical and practical skills.

growing further into the depths of engineering shall help me improve my methods of thinking, reasoning, logic, innovation and most important practicals towards improvement

i have the ability to apply and confidentially carry out all tasks assigned to me. most importantly, i have obtained the capability of applying myself through a series of practical assignments

my information is gathered and please if you find interest in my cv do not hesitate to call me, i would be honored to work for you if you find my CV suitable

kind regards
