Curriculum Vitae (CV)

What job i'm looking for? My positive points

Looking for mechanics job, know electrical, metal work, panel beating-spray painting, wood work, and even IT basics, currently workshop manager for a company but not happy at the company due to business owner thinking he can grow the business too fast and not being able to even pay his staff he has or accounts he owes, I'm a hard worker and always on time hate being late for work or meetings of any sort,
