Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I have more than 20 years experience in the mining industry. My experience include : Gold mines, Coal mines and in various supervisory positions : Miner / Shift boss and site manager. I have started as a miner.

I am a team player and can work with my team, and ad a leader I will lead and my team will follow me. I can work under pressure and work well with my team. My experience helps me to solve any conflict there might be without any problems.

Although I have dependants, I am able to relocate to anywhere in our company and country. Nightshift, overtime,holidays and weekends are no problems for me.

Hard work, ambition and loyalty is my best qualities. I don't stay off work easily.

Please give me a chance to prove myself , and you will not regret your decision. I believe I am the assets to your company that you ate looking for.

Looking forward to being part of your business family

Preferred occupation                      Miners  
Mining jobs
