

Jackson Tshepo Mokoena

Curriculum Vitae (CV)

What job i'm looking for? My positive points

A highly experienced Mechanical Technician, who comes with a track record of successfully using tools and computer software to repair and maintain equipment. I am comfortable working in highly critical, fast paced environment which has shifting priorities. As a true all - rounder I have experience in Mechanical pipe repairs, Mechanical vessel repairs, review and update maintenance strategies, drawings, shutdown fabrication work and coordinates all engineering Team as well as resolving field engineering issues. I have worked on equipment, pumps, tanks, vessels, pipes, valves, electric arc furnace, scrap baskets and conveyor belts etc. I possess the required level of enthusiasm and energy needed to ensure the machine and equipment in the plant will be running smoothly. At this precise moment in time I would like to join a company that has work environment which fosters contribution by all employees.
