Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am hard worker and when am on duty I know the things I supposed to do, to illustrate wearing a uniform in a good way and I am the one who obey the instruction at work. I am not a rude guy at work and complaining about the management even if there is something wrong the best way for me is go and sit with the management to ask something in order for me to get better understanding.
