What job i'm looking for? My positive points

LETTER OF MOTIVATION

I would like to apply for an internship within Department of Education. Currently, I am studying Office Administration level 4 in my third year at SOUTH WEST GAUTENG COLLEGE at Dobsonville. My main field of study is Office Administration. During my studies, I have found that my interests are focused particularly in the area of Office Administration, with emphasis on Admin strategies and public relations.

I would like to be part of the team within Department of Education and gain work experience in my field of studying so as to broaden my horizons while enhancing my career profile. I feel I would be best utilised within the day-to-day business operations of the company and I feel comfortable both working within a team environment and on individual tasks. Completing an internship would give me an excellent insight into the Department of Education and be an outstanding opportunity for me to explore different working methods and practice the knowledge I gained at college.

I am gathered good communication skills and am able to present my ideas in a fluent and confident manner. Friends and acquaintances all testify to the fact that I relate to people easily and that I am able to adapt quickly to new surroundings and situations. I have learnt to work towards, and achieve my aims with great commitment and perseverance.

An internship with you is of great interest to me and I look forward to hearing from you soon.

Please find herewith my Curriculum Vitae for your viewing and my Level 2 certificate.

Yours sincerely
