Dear Sir/Madam,

I am a graduate in Bcom specialising in Accounting and Auditing and value my knowledge, skills and experience as important to my success and I would like to bring my interest for the above position.

I am an energetic, motivated and established individual with experience in Finance. I am a dynamic all-rounder who can easily adapt to changes.

I am good with working in numbers in which I have had the opportunity I will use my strong financial and numerical skills to advance the mission of organisation. I work well under pressure and I am accustomed to work in "confidential" environment proving my trustworthiness and dependability. I am able to generate passion amongst others.

I might love working independently, yet I do realise the value and place of teamwork. I prefer working in a challenging, hands-on and dynamic environment. These qualities, as well as my experience, have been very well utilised in my position at Nedbank Limited.

I am looking forward to hear from you.
