Curriculum Vitae (CV)

What job i'm looking for? My positive points

I studied journalist at TUT but struggled to find an internship. I love sports, soccer, tennis, cricket, rugby and basketball. I I always wished to work for a sports magazine.

I am hoping to work as a sports journalist reason being for my understanding of the sporting codes. Getting this kind of job would mean a lot to me and young people as I would like to teach them of the sports I understand.
