What job i'm looking for? My positive points

Friendly and I don't have moods, I don't like to lie on others... if I will get this job, I will make sure that I do it well, I will always keep smiling on customers....

The reason that makes me need that job is because I want to continue with my study, I stay with my grandmother and she can't afford me.

I will be happy if I got this job, I don't have anyone who will take care of myself, even one year is enough for me.
