Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a hardworking, kind, patient, good listener, generous and also having perseverance. I can work alone but always prefer hardworking team as I did practical at college and enjoyed them. The job I'm looking for is electrical engineering because I enjoy fixing appliance and facing challenges of the field. Any learner ships and internships offered inform me so that I can learn more in them. I have level 4 only two subjects (life orientation and electrical workmanship) that are left behind and attending them this year as ready to face final exams now. Thank u for your time to read this letter
