Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a hard worker , i love people , i thrive for knowledge, good communication skills, i can work under pressure i have lot of respect for other people i believe in oneness. I believe in my self and that i can do anything if i put my mind to it . I believe that any company can hire a person like me because i believe that companies need a person with a vision who is determined, hardworking and dedicated person who have a long term vision and who can turn the company and be able to meet the company's needs, And every company should empower ,recruit young minds as they are the future of this country.
