## What job i'm looking for? My positive points

Dear Recruiting team

I saw your posting on the internet and I'm interested in applying for the position.

Attached is my photo. As you can see, I'm a retail cashier at Shop rite checkers with experience in handling of cash and dealing with people. I have a wide range of experience in administrative assistance and am skilled in the use of the Micro Soft Office Package. I thrive in busy environments where I am expected to learn new skills quickly and take direction while taking initiative. I enjoy customer contact both via phone and in person. I would work diligently to make sure that I learn what is needed as efficiently as possible.

On my I job I worked as a Temporary Supervisor . I have been working to make the move to supporting myself as a freelance actress, but I miss having a regular daily occupation and am seeking supplementary work.

I hope you will consider me for an interview. Please feel free to contact me at 0761892064
