What job i'm looking for? My positive points

I am a social work graduate who has worked as a social worker for 2 years but due to lack of funds in the NGO the contract was terminated. I am a humble , empathetic person. I am dedicated in whatever I do and a hard worker. The skills which I acquired in my studies and the time I was working perfected me when it comes to working with people. I am a team member at the same time I can do the job unsupervised. I know the importance of deadlines and report witting skills so as to account for everything. I am competent.
